Rotherham Hospice
Living Life's Wishes

Welcome

and thank you!

Thank you for choosing to run a World Cup sweepstake in aid of Rotherham Hospice. Whether you're organising this at work, with friends, at your school, or at your local club – every entry makes a real difference. We're an independent hospice serving the people of Rotherham, providing expert palliative and end of life care – whether in our hospice or in people's own homes. Every penny you raise helps us be there for local families when they need us most.

This kit contains everything you need:

- Step-by-step instructions for running your sweepstake
- Suggested rules and prize split
- 48 team draw slips – ready to print and cut out
- Template thank-you posts for when you've finished
- Details of how to pay your money in to Rotherham Hospice

The 2026 FIFA World Cup kicks off in June 2026 across the USA, Canada, and Mexico – 48 nations competing, and all it takes is one lucky draw to win your sweepstake. Good luck to all!

If you need any help or want to let us know how you're getting on, we'd love to hear from you:

How to run

your

sweepstake

Step 1 Decide your entry fee

Choose an entry fee that feels right for your group. Common amounts are £2, £5, or £10 per entry. The more people who enter, the bigger the pot – and the bigger the donation to Rotherham Hospice!

Step 2 Print and cut out the team slips

Head to the 'Team Draw Slips' page of this kit and print it out. Cut up the slips so each team is on its own piece of paper, fold them up, and pop them in a hat, box, or bag.

Step 3 Collect your entries

Each person who enters pays their entry fee and draws a team at random. Record who has drawn which team on the tracker below (or create your own). One entry = one team. People can enter multiple times if you'd like!

Step 4 Share it!

Use the social media captions in this kit to spread the word. The more people who know about it, the more you'll raise. Share in your team WhatsApp group, on your Facebook, or at the workplace noticeboard.

Step 5 Watch the World Cup!

Sit back, enjoy the football, and keep an eye on the results. You'll need to track progress through the group stages, then the knockouts, right through to the Final.

Step 6 Award the prizes

Once the Final is played and a World Cup winner is crowned, check your entries and pay out the winners. See the suggested prize split below.

Step 7 Pay in your donation

The remaining money after prizes is your donation to Rotherham Hospice. See the 'How to Pay In' section at the end of this kit. Please try to pay in within 4 weeks of the Final.

Suggested prize split

We suggest keeping most of the pot as a donation, with a smaller prize for the winner. Here are some options depending on your pot size:

Option	Winners get	Hospice gets
Simple (winner takes all)	Winner: 25% of pot	75% of pot
Top two	Winner: 20%, Runner-up: 10%	70% of pot
Top three	Winner: 15%, 2nd: 10%, 3rd: 5%	70% of pot

Important legal note

A sweepstake run within a workplace or small private group (and where all profits go to charity) is generally exempt from lottery regulations in the UK. However, if you plan to sell tickets to members of the public or charge for entry via a public-facing promotion, you may need to register as a small society lottery. For guidance, visit gamblingcommission.gov.uk or speak to your local authority.

Team Draw Slips

Cut out the slips along the dotted lines, fold them up, and pop them in a hat. Each participant draws one at random!
